

Race Neutral Bid Opening

All federally funded jobs in the March Bid Opening are Race Gender Neutral, which means they have a 0% DBE goal. Once the total of DBE participation for the fiscal year was calculated after the **February 8, 2019** bid opening the overall participation was calculated at **5.96%**.

As stated in CFR, “if at any time during the course of the year you determine you will exceed your overall goal, you must reduce or eliminate the use of contract goals to the extent necessary to ensure that the use of contract goals does not result in exceeding the overall goal.” The Departments overall goal is **4.91%**.

Primes are still encouraged to utilize DBE quotes they receive as that participation will still count toward our overall DBE participation.
